

IN THE CLAIMS:

Please cancel claims 34-36 without prejudice or disclaimer.

Claims 25-33 have been amended herein. Please note that all claims currently pending and under consideration in the referenced application are shown below. Please enter these claims as amended. This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

1-24 (Currently Withdrawn)

25. (Currently Amended) An explosive composition, ~~having a total weight, said explosive composition comprising:~~
~~composition C-4 comprising~~
about 45 weight percent to about 69 weight percent RDX based on ~~the~~ a total weight of the explosive composition; ~~and~~
about 0.5 weight percent to about 2.25 weight percent polyisobutylene based on the total weight of the explosive composition; ~~and~~
~~an additive composition comprising~~
about 15 weight percent to about 30 weight percent 2,4,6,8,10,12-hexanitro-2,4,6,8,10,12-hexaazatetracyclo[5.5.0.0^{5,9}0^{3,11}]-dodecane (CL-20) based on the total weight of the explosive composition; and
about 15 weight percent to about 25 weight percent bis(dinitropropyl)acetal and bis(dinitropropyl)formal (BDNPA/F) based on the total weight of the explosive composition.

26. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 25, wherein the CL-20 ~~constitutes~~ comprises 15 weight percent to 20 weight percent of the total weight of the explosive composition, and wherein the BDNPA/F ~~constitutes~~ comprises 15 weight percent to 19 weight percent of the total weight of the explosive composition.

27. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 25, wherein a weight ratio of the ~~composition C 4 to the additive composition~~ RDX and the polyisobutylene to the CL-20 and the BDNPA/F is in a range of 1:1 to 3:1.

28. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 25, ~~wherein the additive composition further comprises~~ further comprising at least one binder swellable in the ~~BDNPA/F, BDNPA/F~~ and at least one silicone fluid.

29. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 28, wherein the at least one binder comprises at least one member selected from the group consisting of cellulose esters, polyethers, and polyurethanes.

30. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 28, wherein the at least one binder comprises cellulose acetate butyrate.

31. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 28, wherein the at least one silicone fluid comprises at least one homopolymer selected from the group consisting of dimethylsiloxane, methylphenylsiloxane, polysilane, methylvinylsiloxane, and diphenylsiloxane.

32. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 28, wherein the at least one silicone fluid comprises at least one copolymer comprising repeating units of at least two members selected from the group consisting of dimethylsiloxane, methylphenylsiloxane, polysilane, methylvinylsiloxane, and diphenylsiloxane.

33. (Currently Amended) ~~An~~The explosive composition ~~according to~~ of claim 28, wherein the at least one silicone fluid has a room temperature viscosity in the range of about 350 centistokes to about 5000 centistokes.

34-36. (Currently Cancelled)

37-58. (Currently Withdrawn)
